Main Propulsion	2 x 500hp iBM Shaft/Prop
Max. Speed	15 knots
Fuel Capacity	5600 L
Range	Up to 450nm
Classification	Lloyds SSC

The Sherpa Range of Landing Crafts is an excellent choice for those seeking a versatile and durable boat. Made from Marine grade aluminium, this landing craft is built to last and can handle a variety of tasks.

With the option of an inboard or outboard engine, this landing craft offers great performance and can handle a variety of water conditions. The inboard engine provides excellent power and is great for those seeking a quieter ride. The outboard engine is perfect for those who need a little more speed and manoeuvrability.

The Sherpa Range of Landing Crafts also offers options for a larger or smaller cabin. The larger cabin is perfect for those who need additional space for equipment or passengers, while the smaller cabin is great for those who value manoeuvrability and speed.

Overall, the Sherpa Range of Landing Crafts is an excellent choice for those who need versatility, durability, and great performance.
