## P231 | HURRICANE 33 FP

Length Overall	32.50m
Beam	7.15m
Hull Draught	1.40m
Main Propulsion	3 x 2600 Bhp Waterjets
Max. Speed	45-50 knots
Fuel Capacity	23500 L
Crew & PAX	16
Classification	BV

Introducing the Hurricane 33 fast Patrol, the ultimate vessel for coastal security and surveillance. With exceptional sea keeping abilities and top-of-the-line speed for its class, this vessel is the perfect choice for a wide range of security services, from coastal patrol to special operations. One of the standout features of the Hurricane 33 is its exceptional sea keeping ability. This vessel can handle even the most challenging sea conditions with ease, providing a smooth and stable ride for its crew and passengers. And with impressive speed capabilities, it can quickly and efficiently cover large areas of water, making it an ideal choice for coastal patrol and other security services. To ensure the safety and security of its crew and passengers, the Hurricane 33 is equipped with a range of advanced features. Critical areas of the vessel are protected with ballistic materials, providing essential protection in the event of an attack. And with weapons onboard, the Hurricane 33 is ready to respond quickly and effectively to any threats that may arise. The Hurricane 33 is also well-suited for special operations, with the ability to perform a wide range of tasks in a variety of environments. Whether it's conducting surveillance operations, intercepting suspicious vessels, or providing support for ground forces, this vessel is up to the task.
