Introducing the Majestic R6 Power Catamaran, the epitome of luxury on the water. With a length overall of 18 meters, this stunning vessel is designed for discerning travelers who demand nothing but the best. The R6 Power Catamaran is built for spaciousness, providing ample room for guests to move about comfortably. The front deck features a Jacuzzi, perfect for relaxing and taking in the stunning views. The carbon fiber fly bridge offers additional outdoor space, complete with comfortable seating and a commanding view of the water. The R6 Power Catamaran is also equipped with an automatic controller tender platform, which allows you to float the tender with ease. This feature is particularly convenient when you want to get ashore or explore secluded bays and coves. The interior of the R6 Power Catamaran is just as impressive as its exterior. The vessel is tastefully designed and appointed with top-of-the-line fixtures and finishes. The salon features plush seating and a large dining area, perfect for entertaining or simply relaxing in style. The R6 Power Catamaran also features a fully-equipped galley with modern appliances, ensuring that you can prepare your favorite meals with ease. The sleeping quarters are equally luxurious, with comfortable beds and ample storage space.
