

NAVAL DESIGN

P717 | NAVIGATOR 12 C

Length Overall	12.50m
Beam	3.35m
Hull Draught	0.60m
Main Propulsion	3 x 400hp OBM
Max. Speed	55 knots
Fuel Capacity	1500L
Range	Up to 300nm
Classification	Lloyds SSC

Introducing the Navigator 12 Cabin, a groundbreaking RIB (Rigid Inflatable Boat) design by KND Naval Design. This exceptional vessel, with a length overall of 12.5 meters, has been meticulously crafted to excel in the demanding sectors of military, police, coast guard, and the oil and gas industry. Equipped with three powerful 400 Hp outboard engines, the Navigator 12 Cabin ensures impressive performance, effortlessly reaching speeds in the exhilarating 55 knot range. Designed to prioritize both comfort and functionality, the Navigator 12 Cabin features an enclosed cabin outfitted with KND's innovative suspension seats. Moreover, the D Fender design, crafted from durable High Density SPX foam, maximizes internal space while maintaining the highest levels of protection and durability. Safety is of utmost importance, and the Navigator 12 Cabin excels in this area. Thanks to its self-righting capability, the boat can effortlessly return to an upright position in the event of a capsize, ensuring the safety of occupants and providing peace of mind in the most critical situations. KND Naval Design has once again raised the bar with the Navigator 12 Cabin.
