Introducing the Navigator 12 Troop by KND Naval Design, a cutting-edge RIB (Rigid Inflatable Boat) that redefines comfort and versatility for personal and troop transportation. With a length overall of 12.5 meters, this exceptional vessel has been meticulously crafted to meet the demanding requirements of various industries, including military, police, and the oil and gas sector. Equipped with three powerful 400 Hp outboard engines, the Navigator 12 Troop boasts impressive speed capabilities, easily reaching velocities in the exhilarating 55 knot range. Designed with passenger comfort in mind, the Navigator 12 Troop features an enclosed cabin outfitted with KND's state-of-the-art suspension seats. Additionally, the enclosed cabin offers the flexibility of ballistic protection, ensuring the safety and security of personnel on board. Recognizing the diverse needs of its users, KND Naval Design has integrated customizable features into the Navigator 12 Troop. The RIB is equipped with weapon mounts, both in the aft and bow areas, allowing for the secure attachment of firearms or other equipment. This feature empowers military and law enforcement agencies, offering a versatile platform for various operational requirements.
