## P538 | NAVIGATOR 12.5 C

Length Overall	12.50m
Beam	3.58m
Hull Draught	0.60m
Main Propulsion	3 x 400hp OBM
Max. Speed	55 knots
Fuel Capacity	1500L
Range	Up to 300nm
Classification	Lloyds SSC

The Navigator 12.5 C is one of the flagship designs from KND Naval Design and is a popular choice for coast guards, navies, fire departments, and police services around the world. Its success is due in large part to its KND Naval Design registered hull design, which provides exceptional stability and manoeuvrability in even the roughest waters. One of the unique features of the Navigator 12.5 C is its Inflatable fender Fender design, which provides additional buoyancy and safety. The Navigator 12.5 C is fitted with 3 x outboard engines, making it a powerful and reliable choice for a variety of applications. The cabin design makes it possible for all weather conditions, providing ultimate comfort and safety for passengers. In addition, the Navigator 12.5 C is self-righting if capsized due to its innovative design. It is used by many coast guards very successfully. It is fitted with a KND suspension seat system, providing ultimate comfort and shock absorption for passengers.
