Looking for a reliable and versatile RIB that is perfect for both commercial and leisure use? Look no further than the Navigator 800! Built with GRP construction, this RIB is designed to be tough and durable, with the ability to be redesigned into aluminium for even greater strength. The Navigator 800 is a popular choice for coast guards, navies, fire departments, and police services around the world. Its success is due in large part to its KND Naval Design registered hull design, which provides exceptional stability and maneuverability in even the roughest waters. Whether you're looking for a RIB for work or play, the Navigator 800 is the perfect choice. With its spacious and comfortable design, it can easily accommodate large groups of people, making it ideal for everything from fishing trips to sightseeing tours. So why wait? Contact us today to learn more about the Navigator 800 and how it can help you take your commercial or leisure activities to the next level!
