Looking for a reliable and versatile RIB that is perfect for both commercial and leisure use? Look no further than the Navigator 880 ALD! Built with marine grade aluminium construction, this RIB is designed to be tough and durable, with the ability to withstand even the harshest environments. The Navigator 880 ALD is a popular choice for coast guards, navies, fire departments, and police services around the world. Its success is due in large part to its KND Naval Design registered hull design, which provides exceptional stability and manoeuvrability in even the roughest waters. One of the unique features of the Navigator 880 ALT is its High-Density SPX Fender design, which provides additional buoyancy and safety. This RIB is fitted with 2 x outboard engines, making it a powerful and reliable choice for a variety of applications. The Navigator 880 ALD is used by many coast guards very successfully. It is fitted with a KND suspension seat system, providing ultimate comfort and shock absorption for passengers.
