Introducing the Shadowhawk 10 Riverrine Assault Craft, a top-of-the-line security patrol vessel built to meet the strict standards of Lloyd's Register Special Service Craft. At 10 meters in length, this high-speed fully planing vessel is equipped with a V-bottom chinned aluminum hull for optimal performance on the water. Powered by two marine-rated diesel engines and waterjets, the Shadowhawk 10 Riverrine Assault Craft is capable of reaching impressive speeds and maneuvering with precision. The console offers an unobstructed view from the helm and navigator's station, allowing for seamless navigation even in the most challenging environments. Designed with security in mind, this vessel features seating for two crew members and standing room for six personnel, providing ample space for gunners to defend against potential threats. The six weapon mounts offer a 360-degree field of fire, ensuring that your team is ready for any situation. With provisions for ammunition storage and a purpose-built design optimized for security patrols, the Shadowhawk 10 Riverrine Assault Craft is the ideal vessel for law enforcement agencies, military operations, and private security firms. Whether you're patrolling rivers or coastlines, this vessel will provide the speed, agility, and firepower you need to keep your team safe and secure.

"Get there fast, and accomplish the impossible!"
