Introducing the Shadowhawk 12.5: the most effective people carrier for ballistic protection, built for rapid and effective disembarking in any circumstance. Your squad can escape the ship swiftly and go to work on the assignment at hand thanks to a landing gate that is situated at the bow. The Shadowhawk 12.5 is equipped with two 350 horsepower Mercury outboard engines, which enable it to reach speeds of up to 55 knots. Even in the most difficult circumstances, this enables quick and secure transportation. Eight troops and two crew members may be comfortably accommodated on board, ensuring that your force is always prepared for battle. Weapons are also installed on the pilothouse roof and aft of the Shadowhawk 12.5 to offer protection and firepower as needed. Additionally, this vessel can be carried and stored in a 12 m container and has readily removable stabilizer pontoons, making it very transportable and versatile for any task. The Shadowhawk 12.5 is the ideal vessel for the task, whether you need to swiftly and safely carry your squad across the ocean or give them the protection and weaponry they need to finish their objective. Spend money on the Shadowhawk 12.5 to give your squad the edge they need to win in any circumstance.
